

Date: 20.9.2025

Name of the Institute: ICAR-Central Institute of Coldwater Fisheries Research, Bhimtal, Uttarakhand

Name of the Activity: (1) Organisation of Swachh Sujal Gaon at Village - Chantola (Morari), Champawat
(2) Interaction and discussions with the villagers to enhance participation in cleanliness initiatives

On the fourt day of the important campaign on Swachhta Hi Sewa, the programme was organised at Village - Chantola (Morari). All the staff members of ICAR-CICFR Experimental Fish Farm & Field Centre, Champawat attended and coordinated the programme. The villagers were made aware on the importance of Swachhta for a healthy life.

Dialogues and discussions on public participation in this important initiative were held. Interaction with villagers was also organised to know their views on the importance of cleanliness.
