

Date: 29.9.2025

Name of the Institute: ICAR-Central Institute of Coldwater Fisheries Research, Bhimtal, Uttarakhand

Name of the Activity: Distribution of safety gears

- (i) Safety items for the protection of sanitation workers have been distributed to the safai mitras
- (ii) Walkathons, rallies to raise awareness about sanitation was organized

At the concluding phase of various activities on the important campaign of Swachhta Hi Sewa with the theme “Swachhotsav”, the safety kits have been distributed to the sanitation workers for their protection while in work. This will be beneficial for a healthy lifestyle.

To raise awareness about sanitation, hygiene and safety practices amongst the workers and the community, a walkathon involving all staff members of the institute was also organized with great zeal in the nearby streets towards Vikas Bhawan, Bhimtal. The Director alongwith the Head of Division, scientists, officers and all other groups of staffs of the institute participated in the programme.
