

Date: 20.12.2025

Name of the Institute: ICAR-Central Institute of Coldwater Fisheries Research, Bhimtal, Uttarakhand

Name of the Activity: Organizing green drives/plantation drives in the premises having green area. Campaigns on discarding the use of Single Use Plastics and awareness on recycling of waste water, water harvesting for agriculture/horticulture application/kitchen gardens in residential colonies

The activities under swachhta pakhwada continued on the fifth day with participation of local community. Apart from taking care of all the green areas in the office premises, plantation drive undertaken in nearby street and locality to promote clean and green technologies.

Though the waste water is being used in polyhouses, kitchen gardens, floriculture/horticulture purposes for irrigation, awareness created to utilize the water in a more effective manner. The method of sprinkling irrigation was also explained to save water. Awareness created on discarding of Single Use Plastics and recycling of waste water, water harvesting for agriculture/horticulture. The staff members of the institute alongwith the local people took part in the event.
