Report on Awareness Programme under 'Khet Bachao Abhiyan

An awareness programme was organized under the *'Khet Bachao Abhiyan'* on 28 October 2026 in Pandechhor village of Bhimtal block, District Nainital. A total of 15 farmers, including the Gram Pradhan Shri Gajendra Kumar participated in the programme.During the programme, farmers were sensitized about the balanced and judicious use of chemical fertilizers to maintain soil fertility and improve agricultural productivity. The importance of soil health cards was also explained, highlighting their role in assessing soil nutrient status and guiding the appropriate application of fertilizers.Additionally, the farmers were also informed about fish farming as an alternative and supplementary livelihood activity. The potential of fisheries for income generation and improving farmers' economic conditions was also discussed.
